MUNI
LAW

International Center of Public
Finance and Tax Law Research

Dear Madam, dear Sir,

You are invited to take part in the **Interaction of Law and Economics: Sustainable Development** (Subtitles: 19th International Conference Perspectives of Business and Entrepreneurship Development and 22nd Annual Conference of the International Center of Public Finance and Tax Law Research – Perspectives of Law) hosted by Faculty of Business and Management, Brno University of Technology and Faculty of Law, Masaryk University. The conference will take place on **September 11-12, 2023, Brno, Czech Republic.**

Conference Theme:

The aim of this year's conference is to provide an expert platform for sharing ideas and discussing opinions between the academics and practitioners in the sphere of new trends and perspectives of law, business development and entrepreneurship influenced by sustainable development.

Submissions will be subjected to a blind review process and selected papers will be published in the Conference proceedings. Conference proceedings will be applied for Web of Science indexing.

Conference Sections:

Section 1: Perspectives of Business and Entrepreneurship Development

Section 2: Perspectives of Law

Important dates and deadlines

Registration - by June 20, 2023

Abstract or Paper submission – by June 20, 2023
